

**TASK:** Watch the videos that analyse direct and representative democracy. Make notes in the relevant columns and add in the views of the relevant theorists. Colour code your findings to show which form of democracy is superior in each category (practicality/accountability/representation/participation). This will help you to figure out your line of argument for the 20-mark essay on democracy.

	<b>Practicality</b>	<b>Accountability</b>	<b>Representation</b>	<b>Participation</b>	<b>Theorists' Views</b>
<b>Direct democracy</b>					<b>Rousseau</b>
<b>Representative democracy</b>					<b>Schumpeter</b>
